January 14 – February 13, 2005

Pastel, Drawing, Printmaking, Photography, Digital Art, Fine Crafts
Sargent and Hartson Galleries

Juror: Rebecca Reynolds

Institution for Savings Charitable Foundation Award

Paul Wainwright of Atkinson, NH for his selenium toned gelatin print "Clearing Fog"

Wainwright's technical proficiency is evidenced not only in this exquisite photograph, but also in the finely-crafted walnut frame. Although the nature of this photograph draws you in close to take in every detail, be sure to step back enough to appreciate the carefully composed tonal modulations and to experience the depth of its spiritual feeling.
